1. General

These terms and conditions may vary from time to time and the latest version will be available at <https://www.mssociety.org.uk/get-involved/fundraise/find-a-fundraising-event/round-the-harbours>

2. Participant registration

Entries are available for all ages over 16.

Persons aged 18 years or above as of time of the event may register for the event. Children under the age of 18 cannot enter individually and must be entered as an additional participant, the primary participant being 18 or over and the parent/legal guardian of the additional participant or has the permission of the additional participant's parent or legal guardian.

It's essential that all those wanting to take part register on our website individually. Multiple registrations under one name won't be recognised. Online registrations remain open until the event starts.

On the day registrations will be available for anyone wishing to register at the event site.

Only registered participants are eligible to take part in the event.

3. Fundraising

We ask each Round the Harbours participant to try and raise at least £150.

All participants have a legal responsibility to ensure that all sponsorship monies/donations received in connection with the event are paid to the MS Society. We ask that you do this as soon as possible after the event. You can:

Add the donation to your JustGiving page. The money will be sent directly to us.

Via our website using a credit or debit card at donate.mssociety.org.uk;

Send a cheque, made payable to the MS Society and sponsorship forms to MS Society, Carriage House, 8 City North Place, London N4 3FU; or

Make a card payment over the phone by calling us on 0300 500 8084.

Please note that we are unable to accept your sponsorship money at the event as we don't have the suitable cash handling facilities to fulfil this process.

Please ensure that all donations and/or sponsorship forms are returned to us to enable us to claim Gift Aid where possible.

Any cycling jersey purchases will be processed and sent within 4 weeks of order. Any order made within 4 weeks of the event may need to be collected on the day of the event.

4. Accessibility

Although every care is taken to ensure that both routes are accessible, we don't take responsibility for any unforeseen circumstances, including pathway closures, maintenance or adverse weather which may affect the routes. In the event of unforeseen path or road closures, we will plan an alternative access route when possible.

All route distances have been measured using online mapping and may differ from individual GPS tracking. Distances have been measured as accurately as possible, but we cannot guarantee exact distances.

5. Cancellations and changes

The entry fee is non-refundable unless we change the event venue and/or date (subject to paragraph 2 below), or if we cancel the event altogether (subject to paragraph 3).

If we need to change the venue and/or date of your event, we will notify you of the change as soon as possible. Your event place will be automatically transferred to the new date or location unless you tell us you are no longer able to attend. In these circumstances, you can either choose to donate the entry fee to the MS Society or ask for a refund of your entry fee.

If an event cannot go ahead at the specified venue and/or date and we are unable to re-schedule it for another time that year (as set out in paragraph 2 above), we will notify you of the cancellation and you can either choose to donate your entry fee to the MS Society or ask for a refund.

Participants understand that for safety reasons, you are prohibited from swapping, selling or transferring entry to another person. If you are unable to take part, you must notify us at the earliest opportunity.

6. Filming and photography at the event

All participants, volunteers and spectators are aware that video footage or photographs will be taken throughout the event. The photographs and video footage can be used by the MS Society to publicise the event for commercial and/or fundraising purposes including, but not limited to, television broadcasts, advertising, publications, marketing material, merchandising, personalised direct mail and other documents that may be made available to the public; and by our third-party partners to publicise their involvement and/or association with the event. We will not, however, identify anyone by name without their agreement but you understand that you may be recognised from still and moving images.

No personal details (including names) of an under 16-year-old participant will be used in any publicity materials without the written consent of their parent or legal guardian, but we may use images where children are incidentally included e.g. of mass participation in the warm-up exercises, or on the starting line.

7. Liability

All participants and spectators enter and attend the event entirely at their own risk. We shall not be liable for any injury that might occur as a result of participating in our event unless the injury is a result of our negligence. You are fully responsible for your actions during the event. We don't accept responsibility for the actions of participants nor the consequences of such actions. Participants who do not act responsibly and do not adhere to our instruction both on the day and in advance will be liable for any fees or costs incurred or arising from any incident caused by your negligent behaviour.

Participants understand that we reserve the right to change the details of the event, including the venue and route, or delay, postpone or cancel the event in the event of adverse weather conditions or other circumstances outside our control. The determination of what constitutes such conditions is reserved solely by the MS Society.

We are not responsible for any loss, theft or damage to your items.
