

**MS Awareness  
Week 2025**

28 April - 04 May

# It's time to start a conversation

Talking about MS  
can be difficult,  
but it doesn't have  
to be.

This MS Awareness Week the UK's  
biggest MS charities are encouraging  
people to have MS conversations.

Search **MS Awareness Week** on  
any of the MS charity websites  
or social media to get involved!
